The volunteers came to SOS with a thought of visiting an orphanage, but that was not a typical orphanage. As the name denotes, a village for the children. they were accommodated in 15 families. Each family consisted of 10 children and a mother to take care of them.

There were lot of facilities such as provision stores, kindergarten, playground, clinic, staff residences etc.The children were brought up in a homely environment. The volunteers spent a lot time to interact with the children . Since the children were raised and moulded in a family type of environment, they were less likely to feel lonely at the SOS facility.

Also volunteers went to Paniyeli Poru near Aluva with a view of Nature Study. This makes volunteers to study about the natural life. About 75 NSS volunteers participated in the programme
