Founders

For imparting the light of knowledge to the common people of the coastal district of Alappuzha, who had no access to higher education, Shri. V. Sundararaja Naidu and Shri. K. Parthasarathy Iyengar established Sanatana Dharma College, a beacon of knowledge in Alappuzha, on June 20, 1946.

Sanatana Dharma College, which was founded on the unique and global vision of its founders, is a leader in higher education in Alappuzha. Motivated by its rich history of distinction and upheld by its ample resources, the college keeps moving forward, rising to the challenges of the future. After educating several generations of students and providing high-quality, value-based education, the institution has remained true to Sanatana Dharma and taken on an exciting adventure that will see it celebrate its 78th anniversary in 2024.

Established on June 20, 1946, the institution has always upheld high standards in both academics and extracurricular pursuits. In 2017, the National Assessment and Accreditation Council (NAAC) granted it re-accreditation with an A+ grade. While maintaining its unwavering commitment to social justice, the college keeps pushing for academic achievement.

Founders' Day, observed on June 20 every year, honours the college's cherished founding fathers who have served as our inspiration. The Managing Committee is delighted to extend an invitation for your distinguished attendance and involvement in the Founders' Day Celebrations 2024.
