## **Report on the Course on Density Functional Theory**

Date: 18th November 2021

Time: 8:00 PM

Platform: Google Meet

Organized by: Postgraduate Department of Physics and Research Centre, Sanatana Dharma College, Alappuza

The inaugural programme for the Density Functional Theory (DFT) course commenced with a prayer. The course was aimed at providing an in-depth understanding of DFT, a crucial computational quantum mechanical modelling method used in physics, chemistry, and materials science. The event began with a welcome address by Smt. Manju V, the course coordinator. She expressed her gratitude to all participants and highlighted the importance of the course in advancing the knowledge and skills of researchers, students, and faculty members. Dr. Lekshmi S, the Head of the Department of Physics, delivered the presidential address. Dr. P.R. Unnikrishna Pillai, the Principal of Sanatana Dharma College, formally inaugurated the course. A special address was given by Dr. Mohammed Shahin Thayyil, Assistant Professor, Department of Physics, University of Calicut. He shared his insights on the applications and advancements in DFT, motivating participants to move deeper into the subject.

Dr. E. Krishnan Namboothiri, Vice-Principal, Dr. S. Ajayakumar, Kerala University Senate member, Dr. G. Nagendra Prabhu, Platinum Jubilee Coordinator, and Dr. P. S. Parameswaran, IQAC Coordinator offered felicitations to the event.. Each of them extended their best wishes to the participants and organizers, appreciating the initiative to conduct such a comprehensive course. Smt Raji R Krishnan, Research Scholar delivered the vote of thanks.
