Disabled Friendly Campus

An Internal Committee for Students with Disabilities was formulated which aims at providing exemplary support to such students. The campus offers special facilities like rail and ramps, wheelchairs, special toilets, reserved facilities in the library, etc. Each and every requirement of this category is brought to notice by the Committee and is immediately attended. Apart from providing facilities, the committee leads in creating awareness among the SDC community about the specific needs of differently-abled students. Thus a comprehensive effort is undertaken to make the campus disabled friendly.
