ANNUAL REPORT – 2018-19

Annual Report -2018-19

Sanatana Dharma College (S. D. College), Alappuzha is one of the oldest and largest educational institutions affiliated to the University of Kerala. The college was set up in 1946 under the aegis of Sanatana Dharma Vidyasala and has completed 76 years of meritorious service in the field of higher education. The college is recognized by UGC under Sections 2(f) and 12(B). S.D. College is famed for its excellent and committed faculty, and modernized infrastructure facilities. It boasts a long list of distinguished alumni including educationists, scientists, industrialists, doctors, researchers, artists, writers, bureaucrats and political leaders.

Programmes Offered

At present, the college offers 13 Undergraduate programmes, 9 Postgraduate programmes and 6 Ph.D. programmes under the University of Kerala. The list of programmes offered by the college is as follows:

Faculty Details

- Among the 106 faculty members in the various departments of S.D.College, 65 are Ph.D. holders. 27 of the faculty members are UGC NET qualified and majority of them are pursuing Ph.D. in their respective disciplines. The teachers work hand in hand to improve the academic performance of students and to ensure their all-round development. All teachers are actively involved in the internal (College level) and external (University level) evaluation processes.
- 4 faculty members from the various departments of the institution are members in University level academic bodies like UG and PG Boards of Studies. They are actively involved in the formulation of the UG and PG curricula. They ensure that feedback on UG and PG curricula from other teachers of the institution are amply represented in the boards.

Department	Name of Faculty	Name of the Academic/Administrative body
COMMERCE	Dr. Krishnan M	Member- Board of Studies
CHEMISTRY	Parameswaran P.S.	Member- Board of Studies
BOTANY	Dr. V.N.Sanjai	Member- Board of Studies
ZOOLOGY	Dr. G. Nagendra Prabhu	Member- Board of Studies

Faculty Attending FDP

Name of faculty	Designation	Title of the Course	Duration
Dr. C. Dileep	Assistant Professor	Short term course	18/07/2018 - 25/07/2018
Dr. V.N Sanjai	Assistant Professor	Refresher Course In Life Sciences	06/09/2018 - 26/09/2018
Dr. P.K Bindu	Assistant Professor	Refresher Course	23/07/2018 - 13/08/2018
	Assistant Professor	UGC sponsored Refresher course	07/03/2019 - 27/03/2019
Dr. Sreeranjini S	Assistant Professor	Refresher Course	26/06/2018 - 16/07/2018

Teaching, Learning, Evaluation

The teaching learning process at S.D. College is student centric to its core. Besides imparting knowledge, emphasis is given to personal and professional skill development. Classroom teaching is supplemented with activities which enable experiential and collaborative learning. Industrial visits, field trips and internships are organized to provide opportunities for first hand observation, analytical thinking, problem solving and hands on training. Group projects are another strategy for experiential learning. All undergraduate programmes prescribe a guided group project. Student groups work on problems or research questions from the discipline and submit reports as per the norms of research publication. They are subject to external evaluation. Everyday classroom transactions encompass student participation through seminar presentations, group discussions, debates and quizzes. Assignments ensure the effective use of library and e-resources. Besides, students play the lead role in planning and organizing academic and extracurricular activities like seminars, exhibitions, contests, campaigns and arts festivals. This enhances their skill in planning, time management, communication, leadership, teamwork, problem solving and public speaking. The curriculum ensures all-round personality development.

ICT Enabled Teaching

ICT based approach to teaching-learning is promoted in the institution. Information technology is used for communicating with students, engaging online classes and also for providing multisensory input during offline classes. E-mail and WhatsApp groups are used for communication with students. Facilities for online and ICT-based teaching are available in all departments. They include computers, laptops, LCD projectors, speakers, scanners and e-reference materials. Internet connectivity is ensured in all departments, seminar halls, offices and at the General Library. Live online classes are engaged through software like Google Meet and Microsoft Teams. Submission of assignments through LMS is also enabled. In offline classes, teachers use PowerPoint slides, audios and videos for enhancing the learning experience. Visual input is used in science for demonstration purposes. In the Arts classrooms, film adaptations of literary works and movies prescribed for study are screened. Students are given access to e-resources through INFLIBNET facility at the General Library. Reference materials include journals, e-books, audio books, videos, research theses etc. A computer lab with 60 desktop computers is also available on campus. It is utilized for practical sessions, training programmes and for preparation of students' project reports. Students are trained in using ICT for multiple purposes. The ICT infrastructure of the college was improved during the period. The gist of ICT infrastructure in the college is as follows:

Room number or Name of classrooms/Seminar Hall with LCD / wifi/LAN facilities with room numbers	Type of ICT facility
ICT Room 1 - Economics Department	LCD Projector, Wifi facility, AC
ICT Room 2 - Economics Department	LCD Projector, Wifi facility
ICT Room 52 - Commerce Department	LCD Projector with smart board
ICT Room 46 - Commerce Department- (Researchers Room)	Wifi Facility, Computer Systems
Room 49	LCD Projector
Room 50	LCD Projector
ICT Room 60 - Mathematics Department- Research Room	LCD Projector, Computer System, Podium, Wifi
Room 72	LCD Projector
ICT Room 97 - Microbiology Department	LCD Projector
ICT Researcher's Room 93 - Malayalam Department	LCD Projector, 2 Desktop, wifi facility
Room 83	Portable projector, wifi facility
ICT Room 2 - Zoology Department	LCD Projector
Room 3	LCD Projector
Instrumentation-Room 11	LCD Projector
Lab-Room 32 - Botony Department	LCD Projector
Herberium-Room 34 A	LCD Projector
ICT-Seminar Hall-Room not numbered-Physics Department	LCD Projector
IMSC Physics - Room Not Numbered	LCD Projector
Room 16	LCD Projector
IIMSC-Room Not Numbered	LCD Projector
FIST E-Learning Room	Wifi, LCD Projector, Interactive Panel, Mike and Speaker system
Golden Jubilee	Wifi, LCD Projector, Podium, Speaker and Sound system

Internal Assessment

Internal Assessment is given much importance in the institution. The conduct and evaluation of internal examinations is monitored by the College Level Monitoring Committee (CLMC), which ensures transparency through strict guidelines. 20 percent marks per course for UG programmes and 25 percent marks per course for PG programmes are awarded through internal evaluation. The criteria for evaluation are attendance, class room performance, internal tests and assignments/seminars. Students are briefed on the criteria for Internal Assessment immediately after their enrolment to a UG/PG programme. In a semester, two sets of internal tests are conducted from which the better score is taken. Students hence get an opportunity to improve their test scores based on teacher feedback. Question papers are prepared as per the stipulations of CLMC. Tests are administered and evaluated by the faculty members concerned. Apart from written tests, classroom discussions and quizzes are also conducted for assessing students. Assignments are evaluated based on content, timely submission, neatness and citation of external resources. Participation in extension activities (club activities/NCC etc.) is also a criterion for the award of IA marks in the fifth semester of UG. Mark lists are published and student grievances promptly addressed before final submission to the University.

Research Activities

Research activities at the institution were carried on in a full-fledged manner. Faculty and research scholars were engaged in individual and collaborative research projects.
